

Declaration regarding the efficiency of a shower heat recovery unit

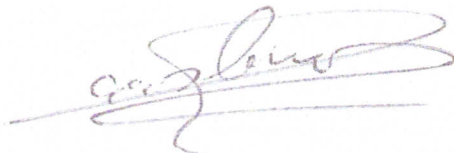

Kiwa Nederland B.V. hereby declares that of the shower heat recovery unit,

Type : DSS Shower tray with Heat Recovery T-3
Of : Dutch Solar Systems B.V.
In : Enschede, The Netherlands

of which a sample supplied and installed by DSS has been tested according to the method described in NEN 7120:2011, appendix B. The measurements have shown that the sample recovers the waste energy in the shower water with an efficiency of:

class	Flow (l/min)	Volume (l)	Efficiency (%)	Pressure loss (ΔP) (bar)
3	9.2	73	45.8	0.31
4,5,6	12.5	100	45.2	0.50

Apeldoorn, 7 November 2012
